

Lititz Woman's Club

Vocational-Technical Scholarship Application

The \$1000 scholarship is awarded to one Warwick High School graduating senior enrolling in a one-year or two-year post secondary program. This includes vocational, technical, and associate degree programs. This award is a \$1000 renewable scholarship, totaling \$1000 for a one year program, or \$2000 for a two year program. The recipient will be announced during the awards assembly. The check will be made payable to the school in the name of the student. It will be forwarded to the business office of the school following official notification of recipient's acceptance to the committee.

Method Of Selection

Applications may be obtained from the Warwick High School guidance office or online at the Lititz Woman's Club website lititzwomansclub.squarespace.com. A copy of your transcript will be attached. The scholarship committee will review all applications without knowledge of the candidate's identify and choose a recipient. All information will remain confidential. The determining factors will include scholastic achievement, extracurricular activities, community service, financial need and overall presentation of application. The continuation of this scholarship will depend on a yearly review of the recipient. It is the responsibility of the recipient to forward a copy of her semester grades to the scholarship chairman, as well as any changes in her program of study.

Deadline for Submission. APRIL, 22, 2024

All applications must be returned to the guidance office. If you choose to print the application from the website, submit your original hard copy to the guidance office and save a copy for your records.
