Monthly Newsletter: May 2024

## A Message from your President

Hello LWC Ladies, It doesn't seem possible that this club year is soon ending. When I look back on the year, I am amazed at all the new members we have gained and at all the successes we've accomplished. We are so fortunate to be able to have a large meeting room at Listrak to host our club members.

There are many committees still actively at work. Please keep up to date by reading the website, the newsletter, emails, and texts. Find out how you can help. Remember to send your reservation for the end of the year, May dinner meeting. It's always a wonderful evening

to enjoy friendships, plan on future activities and to reflect on all we've achieved. A new slate of officers will be sworn in at this meeting so let's welcome them together. The sign-up sheets for next club year's committees will also be distributed at the dinner meeting. Please sign on to help the committee's work. With our large membership, our club should be able to have no problem finding workers for our projects.

To end the 2023/2024 year, our Committee has agreed to contribute to Church World Services, Organization for the Responsible Care of Animals (ORCA) and to Troop 142 Shed Project - Connor Shoff, a 16 year old Lititz resident, is repairing 8 sheds located at various Warwick Little League fields and this is a donation towards Connor's Eagle Scout Project. We also contributed to World Central Kitchen and collected feminine products for Warwick United. We will continue to collect used/new eclipse glasses till the end of May. We have a great Committee that some of you may wish to join in the coming year and thank you all for your generosity.

## Program

### Cathy Gelatka

Our final program will be highlighted by our dinner at Bent Creek Country Club and installation of our 2024-25 Woman's Club officers. In addition, we will be adding a basket raffle to the fun. Also, there will be an opportunity for club members to select what committee they would like to participate on. Please give this careful consideration, we need all hands on deck! I would like to thank the members of the Program committee for selecting outstanding speakers for our club's programs this past year. I am looking forward to chairing this committee for our upcoming club year. Happy summer to all!

## Home Life

### Linda Miskinis and Julie Meiskey

Thank you to all who supported our Community Chest food and toiletry drive. We collected a total of 338 pounds to help our neighbors in need. Three members delivered 70 handmade Spring cards to the residents of Pleasant View Retirement Community in mid April. A small group of ladies will be creating and assembling painted corks to resemble the American flag. These handcrafted decorations will be given to the residents at Moravian Manor in May. We will continue to accept corks for a project in the Fall. Thank you for your generous donations.

## Arts and Social

### MJ Ember and Connie Goebel

The second group of LWC members had a great tour of Rock Lititz on April 6th. Everyone was quite impressed with the history and scope of Clair Global. The tour and following lunch were a lot of fun. Thanks to Betty Narkiewicz for her efforts to organize this.

On April 7th, a small group of members took advantage of the \$5 tickets to see Gone with the Wind on the big screen to celebrate the movie's 85th anniversary. We shared dinner and had an enjoyable time. Thanks to Geri Kull for spearheading this outing.

The last two events for Arts and Social this club year are both craft opportunities. On Tuesday, May 7, 2024, at 7:00 PM join fellow LWC members at the Pottery Works 16 W. Orange St., Lancaster. This is near Central Market. I thought it might be fun to paint your own original flowerpot but of course there will be many items from which you could choose. Your project will need to be fired and you can pick it up about a week later or have a

friend pick it up for you. Carpooling may be available. We need three more people to get a 10% discount! We could go out to eat first if enough people are interested. Please get back to Marijane by Saturday, May 4th if you are interested in trying your hand at painting. Also let me know if you are interested in carpooling OR dinner that evening.

Our second craft date is Thursday, May 16th at 5 PM at the Beadworks, 52 N. Queen St., Lancaster. Choose your beads and the staff will help you design a cute bracelet for yourself or to give as a gift. AND, if you also participated in the pottery project, you could pick up your finished piece this night as the two locations are close to each other. Bracelets cost \$10 plus the price of the beads you choose. Since the time is earlier, I will bring snacks!! IF you have questions, please contact Marijane Ember @ mjember@gmail.com. Or call 717-648-9296. Hope you will be able to join us for one or both events.
