## A Message from your President

Dear amazing club members,

I deeply appreciate everything you have done to help me get through this difficult time. Saying goodbye to a sibling is never easy, and I've felt deeply grateful for your comfort and kindness. I am humbled, but not surprised, to have received so many cards from so many of you. My mail-lady even mentioned that I need a larger mailbox. Your kind words of support and prayers have helped to brighten my spirits. I received the most beautiful bouquet of roses in red and white, surrounded by an array of greens. They have all opened, bloomed and are still looking strong and bold, JUST LIKE THIS CLUB! I will never forget the generosity I've been shown by all of you, and I will live the rest of my life being a member of this club.

Being your president is one of the proudest positions I've ever held. I have enjoyed leading this successful club, but my term is ending. I will always stay an active member and am thankful for these ladies who have agreed to be on the nominating committee to fill the positions needed for next year. They are listed alphabetically as follows: Shirley Flickinger, Cathy Gelatka (alternate),

Linda Hoover, Patricia Kline (chairperson), Julie Meiskey & Kathy Jo Wenger.

I am looking forward to seeing everyone in February!

Please read your newsletter to stay informed. I promise to spread love, kindness and sunshine this month, just as you did to me!

With sincere gratitude,

Amy Hamilton

a.k.a. - Steve Nuss's little sister

## Program

**Sue Perolli**

Our February Program and Speaker will be one of our own LWC members, Kathy Ross. Kathy is a Yoga, Tai Chi Personal Trainer with 25 years of experience including the study of Spring Forest Qigong. Qigong (ch' i kung) is a system of coordinated body posture movements involving breathing and meditation. It is traditionally viewed by

the Chinese as a practice to cultivate and balance a person's "life energy". Kathy will present some of these self healing practices using body movements which may help sore eyes, smooth wrinkles, and improve kidney functions.. She will emphasize the importance of good body alignment promoting improvement in back pain, sinus challenges and arthritic stiffness. She will teach us how to meditate using a seated meditation process enabling us to leave our meeting with a feeling of relaxation and calmness. This is a meeting not to miss!!!!

I hope everyone is staying warm and healthy! Take care!

At the February 21st meeting, the Education Committee will host the January Senior of the Month, Rachel Horner, and the February Senior of the Month, Audrey Hovan. We are happy to honor each girl's accomplishments and hope you will attend the meeting to learn more about these students.

## International & Public Affairs

**Elaine Bair**

Our committee has decided to collect items for the Pet Pantry. When the covid-19 pandemic started and people were quarantined at home, a lot of people decided to adopt animals for their families. As time went on these people realized the expense of a pet. They found they had trouble providing for their new pet. Pet Pantry helps supply the products needed for these families to provide for their pet so they do not need to put their new pet up for adoption. Following is a list of items we will be collecting. ITEMS: gently used towels and blankets, Kitten food dry and

canned, KMR kitten milk replacement formula, dog food dry and canned, cat food dry and canned, cat and dog toys, dog and cat beds and if you feel you don't want to shop you can give a monetary donation.
