Home Life

Linda Miskinis and Phyllis Frankhouser

For our March project, Home Life members will be baking cookies to show our appreciation for our local fire companies. We will also be collecting non-perishable food items, toiletries, dish & laundry detergents and paper products for the Lititz Warwick Community Chest. We are asking all members to bring donations to the March or April meetings. Looking ahead to our April activity, committee members will be making 115 "mug rugs" to share with the residents of the skilled care unit at Brethren Village. We plan to gather at Sally Dowling's home in mid March to cut fabric, sew and create these mug coasters. An email with details will be coming soon to all Home Life members. Any member is welcome to help. Contact Linda Miskinis, 717-725-8222, if interested.

The committee has chosen Nanny's Nighties as our last project for the year. Angie Atkin's mother was in Hospice care for Alzheimer's disease. The nurse was telling the family how some women at rest homes who had no financial resources or family to provide for them. These women were in need of nighties. So in her mother's memory she started Nanny's Nighties. There was a paper available at Monday's meeting with names and sizes for woman to shop for nighties. Those who shop please remember to bring those nighties to the March meeting. If you weren't able to get the form or forgot to pick one up and would like to

donate a nighty, you can purchase one in size Med or large or XL or XXL. Any color or print. Also we have now ENDED our collection of your unused glasses. Thank you for making this project successful. Elaine

Conservation

Lucy Norton and Bev Hosler

The crocuses are blooming, the daffodils are getting ready, and Winter Aconite is a blanket of yellow flowers behind the Lititz museum. That means it is time for the Conservation Committee to begin its busy season and carry on a tradition of planting flowers at the town square, a tradition that started with the Lititz Bicentennial in 1956. The committee will meet this year on Wednesday, April 12th at 6:30 at Lucy Norton's home. At that time we can generate ideas for the planting of the Square on Saturday, May 20th. Please RSVP to Lucy Norton (215-595-3477) if you can attend the meeting.

Check your calendar to see if you can join us for dinner and/or a movie on Wednesday, March 8th. Casablanca will be shown on the big screen for the first time in 75 years at 7 PM at Penn Cinema. Please buy your ticket ahead of time so you are sure to have it. If you want to have dinner at Mick's before the movie at PM, please contact Geri Kull at mkull50@yahoo.com or 717-341-3371 by Friday, March 3rd.

If you are feeling crafty this spring, please join some of your LWC friends at Create at Flair on Rodney Lane in Lititz on Monday, April 24th. There are two possible activities being considered. One is glass etching. You can etch a custom design into wine glasses, beer glasses, wine bottles, etc. You could either bring your own glassware or Lisa and her partner can supply some. The other possibility is something called "Kokedama". It means Japanese Moss Ball. It is a style of potting up plants in a ball of moss and displaying them in a dish or suspended in the air. Costs for either class will be

around \$50 and you will have something a little different to take home with you. Check your calendars now. If you are interested, and did not sign up at the meeting, please let me know at mjember@gmail.com or 717-648-9296. There will be more information at the March meeting and the April newsletter. We do need a minimum number for the workshops. Hope to see you there.
